## The Time Is Short!

We trust the citizens of the Saanich Peninsula and Gulf Islands will rise to the occasion and see that this area reaches its quota in the Fourth Victory Loan. The quota is much higher (\$1,075,000) than it was in the last drive, but is not impossible and we feel certain that we will not be lagging behind when the final count is made. "Buy Another Bond"—and make sure that we put this loan over the top!

## Businessmen Vote For Improvement District

Thursday evening members of the Sidney-Businessmen's Association held their regular dinner meeting in the Sidney Hotel, A. W. Hollands, vice-president, presiding.

This proved one of the most interesting meetings for a long time, so keen being the members on the various questions discussed that as midnight approached the business session was temporarily adjourned and then resumed again in A. W. Hollands' Meat Market, continuing far into the night.

### DRAINAGE

As regards the drainage in Sidney government surveyors had recently been in town taking levels and it was reported that work in this connection would soon be done in the various parts of the town needing attention. Thanks were tendered J. G. Mitchell for his untiring efforts in this matter, and he was asked to see the work through.

George Gray reported progress being made in the construction of the new fire truck.

### PUBLIC DUMP

F. N. Wright, chairman of the public dump, presented a lengthy report in connection with the disposal of garbage, etc. Mr. Wright had spent considerable time with the Health Department of the B.C. Government and had successfully arranged with various officials of National Defence for co-operation in the maintenance of the dump, whereby a man is stationed on the premises eight hours daily. In this connection Mr. Wright asked for co-operation from the public by not dumping after 3 p.m., as from 3 to 5 p.m. the dump is prepared for the evening by having all fires out to comply with dimout regulations. By co-operation of National Defence and the Public Works Department a bulldozer has removed 11 large stumps from the right-of-way leading to the dump and an excellent roadbed is now

in evidence. The dump approach has now been cleared of all miscellaneous deposits and is spick and clean as a whistle. Members accorded Mr. Wright sincere thanks for all his tireless efforts in bringing about the smooth-working system now prevailing.

### IMPROVEMENT DISTRICT

The matter of incorporation was discussed at length — and finally the members unanimously decided to go on record as in favor of an improvement district instead, to confine the improvement area to the part of the district being served by the Sidney Water & Power Co. Ltd. There was a lengthy discussion previous to the vote and at times the chairman had difficulty in keeping members to the point.

George L. Baal reported that the local park was being turned over to the services for the 24th of May sports event and suggested that a trophy be given by the association, which was unanimously agreed to.

### OVERSUBSCRIBED

When the Fourth Victory Loan got under way it was suggested that members of the Sidney-Businessmen's Association set a quota of \$20,000. As we go to press we learn that this quota has been passed.

### Endeavour Chapter Plan "Baby Sale"

The regular meeting of the H.M. S. Endeavour Chapter, I.O.D.E., was held at the home of Miss M. Mounce on Wednesday, May 5.

After the usual business was disposed of the war convener read an interesting circular from the provincial convener re the adoption of ships and the requirements of their personnel.

Ways and means of raising money were discussed and each member is to bring some article of

## Fire Destroys Home At North Galiano

GALIANO ISLAND, May 12.—The farm home and several out-buildings of Mrs. R. Greenhough, North Galiano, were destroyed by a fire which started on the roof of the house and soon spread.

A large amount of field seed and seed potatoes were destroyed in the blaze, as were nearly all the home furnishings.

An R.C.A.F. plane sighted the blaze but before help could be sent the fire was out of control.

Mrs. Greenhough was carrying on the farm during the absence of her husband in hospital and two sons in the forces overseas.

There was no insurance.

## HIGHLIGHTS OF MEETING DESCRIBED

Member of Allies' Chapter, I.O. D.E., held their May meeting on Thursday, May 6, at the home of Mrs. F. J. Baker. The regent, Mrs. Johnston, was in the chair.

There was much interesting discussion regarding the formation of a district committee to act in an advisory capacity to the local War-time Prices and Trade Board. The chapter decided to appoint a representative to the committee when it is formed.

The educational secretary, Mrs. Bruce, was empowered to arrange for suitable gifts for the three elementary school to commemorate Empire Day.

Miss Stewart reported that two large cartons of new and used clothing had been dispatched for Polish relief.

Three turtle-neck pullovers, five sleeveless sweaters and a scarf had been forwarded to provincial headquarters. Twenty bound books had been sent to camp libraries, eight pocket size books and magazines to the R.C.A.F. Hospital.

Mrs. Coates, the Brownie leader, extended an invitation to chapter members to be present at the annual Brownie ceremonies which are to be held shortly. She reported continued enthusiasm among the pack.

The feature of the meeting was the report given by Mrs. Dobbins, delegate to the provincial annual meeting. She spoke of the beauty of the opening ceremony at which so many standards were carried and the deep impression it made on all present. Then she gave the highlights of the reports of the various provincial secretaries and conveners, particularly of the almost staggering total of war work accomplished by all the different chapters; the report of the immigration convener and that of Mrs. Goodwin Gibson, the Guide convener, who was generous in her praise of the work of the Guides and Brownies sponsored by Allies' Chapter.

She told that the combined reports of all chapters as given by the provincial secretary proved most interesting and was a very successful innovation.

Mrs. Johnston, on behalf of the chapter, thanked Mrs. Dobbins for her comprehensive summary.

GALIANO ISLAND, May 12.—Word has been received by Mr. and Mrs. F. D. Finlayson of Galiano that their elder son, Sgt. Pilot John Norman Finlayson, aged 22, has been killed in action overseas.

The bride was given in marriage by her mother, and wore a tailored blue suit with rose accessories, with a corsage of pink carnations. L. F. Guest supported the groom.

The reception was held in the home of the bride's grandmother at Oak Bay, Victoria.

## Charles Raby Sets Worthy Example

FULFORD, May 12.—Charles Raby, Fulford, in his 78th year, has done it again! Done what? Gone down to Victoria and made his third blood donation to the blood bank! He plans going down again in August to give another donation of blood. To date he has given three pints.

Mr. Raby says he feels fine — in fact he feels much better after each blood extraction.

This is a worthy example to follow by some of the younger generation who can well spare some of their blood for the blood bank and never miss it.

Although in his 78th year, Mr. Raby, who lives alone, does all his own work and is quite active — would that we had more like him!

## Plan Another Sale For Saturday, June 5

A report of the sale of work under the convenship of Mrs. C. C. Cochran and assisted by Mrs. Pinning, Mrs. Levar and Mrs. Joe John, held recently at the Sidney Trading Co. store by kind permission of Mr. Cochran, was a very satisfactory one. This was given at the regular monthly meeting of the Women's Association of St. Paul's United Church held Wednesday afternoon, May 5, in the church parlor, when the president, Mrs. William McCulloch, presided.

The devotional period was taken by Mrs. Perley and Rev. Perley gave a very interesting "Message Of Easter."

Mrs. Menagh, convener of the Red Cross group, gave a full report of their activities.

Tea hostesses for the afternoon were Mrs. Joe John and Mrs. Harvey.

In the absence of Mrs. Hall, Mrs. Crossley acted as treasurer and Mrs. Vogee read correspondence.

By popular demand another sale will be held on Saturday, June 5, in the Sidney Trading Co. store.

## Ganges I.O.D.E. Adds New Members

GANGES, May 12.—The Ganges Chapter, I.O.D.E., held its regular monthly meeting last Friday afternoon at Ganges Inn, with the regent, Mrs. Dallas Perry, in the chair. Following routine business, correspondence was dealt with. The notice of the annual meeting of the National Chapter to be held at Edmonton, May 27 to June 3, inclusive, was read and Mrs. Spratt, regent of the Provincial Chapter, will represent the members of the Ganges Chapter and carry their vote. In the absence of the treasurer, Miss Anna Lees read the financial report, which showed \$115.79 in the general fund and \$70.30 in war fund. The date for the annual garden party, to be held at Harbour House, was fixed for Thursday, July 29, and all arrangements for the sending of bouquets from the chapter to five local girls graduating at St. Joseph's Hospital on May 14, were left in the hands of Mrs. J. Mitchell.

Mrs. B. G. Wolfe-Merton, convener of the recent tag day, reported that the sum realized on that occasion had been \$40. Mrs. A. J. Eaton consented to take the position of hospital representative in place of Mrs. P. Lowther, who is resigning owing to the distance of her home from the institution. Another appeal was made by the regent for the urgent need of carders, at Mahon Hall. Mrs. Perry read a report of the recent Provincial Chapter's annual meeting, for which she received a vote of thanks.

Following discussion on a post war memorial, a resolution, framed by Mrs. V. C. Best, and reading as follows, was sent in to the National Chapter, "That the Ganges Chapter favors the principle of a war memorial and approves the plan of sending out a questionnaire to chapters before next year's national annual meeting."

The chapter arranged to co-operate with the Ganges Women's Institute in the collecting of salvage. Mrs. Wolfe-Merton was elected convener of the guessing contest in connection with the time the Tuesday afternoon boat whistles before reaching Ganges.

Reports were heard from the work convener, Miss Lees, and the sub. convener, Mrs. Mitchell, the latter stating that a large quantity of clothing, including a complete layette, had just been shipped to England for evacuees, a letter from headquarters was read

praising the quality of the work sent in.

The question of adopting ships was discussed, but it was thought better for the members to devote their efforts to hospitality and obtaining better accommodation for sailors on shore. The Navy League convener, Mrs. Graham Shove, is arranging a contest on June 4, the prizes for which will be scrip on Victoria stores.

In response to an appeal from the educational secretary, the sum of \$15 was voted towards library books for pupils in grades two and three of the local school.

The following were elected members of the chapter: Mrs. Rose, Miss Alice Jeffrey, Mrs. T. Twells, Mrs. J. H. Carvosso, Mrs. Bishop Wilson and Mrs. A. M. Smith and Miss Simone Chantelu joined as honorary members.

A committee, including Mrs. Mitchell, Mrs. Jack Abbott, Misses Betty Kingsbury and Shirley Wilson undertook to try and arrange a dance for chapter funds.

The bed jacket, made and donated by Miss Mary Lees and won in a contest by Mrs. J. C. Kingsbury, realized \$10.80, for the war work fund. A. B. Elliot's promise to re-varnish and generally renovate the I.O.D.E. seat at the Cenotaph, was gratefully accepted, as was also Mount Bros.' of erecting a shelter for the chapter's Saturday weekly market stall.

Tea hostesses for the afternoon were Mrs. Best, Mrs. Wolfe-Merton and Mrs. Mitchell.

## Flower And Bulb Show At Royal Oak

ROYAL OAK, May 12.—The annual Royal Oak Flower and Bulb Show was held in the Community Hall, Wednesday afternoon of last week. Miss K. Oldfield welcomed the guests.

The floral exhibits were judged by H. H. Reed and the school's exhibits by W. Johns.

The best decorated tables, judged by popular vote, were won by Mrs. B. M. Willoughby and Mrs. Oades Jr.

An interesting health display was arranged by Saanich school nurses.

Afternoon tea was convoked by Mesdames Van Dyke, B. Hoole and C. Nesbitt. The home cooking stall was convoked by Mrs. A. D. Corker.

Is there an  
Air Raid Alarm?

Some day you may find yourself uncertain as to whether there is an air raid alarm. Your first impulse may be to telephone someone and find out.

Wait! If there is an air raid alarm, defence and protection officials will be putting through urgent calls. If people telephone to ask questions they may block these calls.

There are usually other ways (street lights, neighbors, radio, etc.) of finding out if there is an air raid alarm.

## R.A.F. Halifaxes Back Middle East Victory: Bombing Up In The Desert

Picture shows: Bombing up a Halifax four-engined bomber in the Western Desert. The R.A.F. Halifax, which has carried some considerable loads of destruction to vital centres in enemy occupied Europe, also played its part in the big victory of Allied arms in the Western Desert. Axis ports, installations and supply lines felt the heavy hand of the Halifax and the enemy's power of resisting the 8th Army's big drive was weakened accordingly.

#### LAND ARMY

Sir: — At last the Emergency Farm Labor Service has been launched on Vancouver Island and according to an announcement in the press recruiting has begun at 909 Government Street, Victoria.

It is earnestly hoped that every man, woman and child who can spare any time, even a few hours a day for a few weeks, will offer their services without delay to the local branch of the EFLS (which should be ELFS). Their services are sorely needed in spite of an apparent tardiness on the part of farmers in filling up the questionnaire forms. Most farmers are fed up with filling up forms so are inclined to put them on one side, which in this case is a most unwise procedure.

Unfortunately this Land Army scheme has been started far too late this year and as a result many

## Poultry Notes

by  
A. SANSBURY,  
Poultryman,  
Experimental Station,  
Saanichton, B.C.

The best time to remove the brooder stove, will depend on the breed, weather conditions, location of the range house and the protection which can be afforded the growing birds. Leghorns and other light active breeds crowd badly if the temperature is too low. This is due to the strain on the system by excessive feather growth and great care must be used when changing from brooder to range periods.

If the weather is wet or cold the weaning period must be postponed or a heavy mortality will be sure to follow. The colony houses should be placed in protected places if possible, as the growing birds for the first few weeks after weaning require close watching and they must be protected from showers and the sudden changes in weather conditions that we get on Vancouver Island.

It should be the aim of everyone who has purchased chicks to help in the war effort, to study their birds and by selection and elimination keep only first class birds. Over-crowding is one of the main factors, both as to area of land and housing space, that cause unthrifty and poor individuals.

Clean out the houses every two weeks and spray with a good disinfectant once a month. Be sure to let the growing stock out at daybreak as nothing is more upsetting to growing birds than to have them kept in the houses in the morning when they are hungry and thirsty. Keep feed in front of the birds at all times and change their water twice daily. When the brooding is over, any weak birds should be disposed of as broilers, whether cockerels or pullets.

## VICTORY

THEY say it with Bullets  
YOU say it with Bonds

But you must say it first, for without the Bonds there'd be no bullets or bombs or tanks or ships or planes. That's where the money you're asked to lend goes—to build and buy the weapons of attack for this crucial year of the drive to Victory. Back our boys; Back the Attack. #### BRANCH MEETING

A meeting of the above branch was held in the Orange Hall, Saanichton, on Monday last.

The president called the meeting to order at 8:25 with the customary tribute to our fallen comrades.

There were 25 members present, including the following officers: President, first vice-president, second vice-president, secretary-treasurer and Comrades Garrard, Wakefield and Pinning.

Minutes of previous meeting were read and adopted and minutes of executive meeting were read for information.

Comrade W. L. Harrison, Sidney, of the Naval Transport Service, Merchant Marine, was admitted to full membership of the branch without ballot.

Correspondence was read and suitably dealt with. An interim report was given by the chairman of the Rehabilitation Committee. A report was given by the chairman of the trustees of the Canadian Legion Service Hall. Com. W. Newton was re-elected trustee of the hall on the expiration of his term of office.

The speaker for the evening was Comrade Wilfred Greene. Mr. Greene, who was a member of the Rehabilitation Committee for a year, gave a full account of the measures that had been taken for the rehabilitation of members of H.M. Armed Forces on discharge from the same. At the conclusion of his address a full discussion took place and the speaker answered numerous questions addressed to him by the members and it can confidentially be stated that the members of the branch are now in possession of a much more definite idea of what is being done than at any previous time.

A hearty vote of thanks was accorded Com. Greene.

Discussion also took place as to certain matters concerning specific veterans of the last war and the secretary was to take steps to verify the facts of the case and if necessary take further action.

Members were reminded of the membership drive at present being made for the province and urged to do their best to bring new members into the branch.

The meeting closed with the national anthem, after which lunch was served and a social chat indulged in, the proceedings terminating at 11:15 p.m.

#### AUXILIARY MEETING

The Women's Auxiliary to the above branch will meet on Monday, May 17, in the Orange Hall, Saanichton, at 2:30 p.m. A full attendance of members is requested.

# SIDNEY and GULF ISLANDS!

## WE'RE "ON THE SPOT"

Only three days to go in this big Fourth Victory Loan Drive AND WE ARE STILL FAR BEHIND OUR QUOTA. It's a serious situation, but we can lick it — and WE MUST LICK IT!

Hundreds of you have done splendidly. In the spirit of real sacrifice you have put savings into the loan that you would have loved to spend on other things, and while your present action proves your patriotism, the future will prove your wisdom and prudence.

The price of attack is high. Past Victory Loans have financed our War effort — but this Loan is for the purpose of financing a greater effort — the effort needed not just for defence, but for ATTACK. That's why our quota is 40% greater than the entire amount we subscribed in the Third Victory Loan — that's why we must ask you to lend MORE and MORE and MORE!

The hard working salesmen have completed their calls, but in the few remaining days of the drive they will call upon you again, in the hope that the same spirit that prompted you to buy one bond will induce you to buy another. But to you who have not been called upon by a salesman, and who may still be missed in this gigantic task, we say

## Call Your Victory Loan H'dq's See Your Local Salesman Ask Your Banker

Take your banker's advice about your Savings. Victory Bonds are the safest of all investments. Any Banker will tell you that it is poor business to leave money in a Bank earning only 1½% interest, when the Government, on whose stability the safety of the very Banks themselves is dependant, offers to pay you 3%.

With only three days to go WE ARE STILL FAR SHORT OF OUR OBJECTIVE. Are you "pulling your weight," are you doing your share in the great job that is vital to our individual and national safety? Let it not be said that we of Saanich, Sidney and the Gulf Islands failed to do our part. Come on, let's put it over!

REMEMBER! that the Volunteer Field Fighters sent to help you harvest the vital crops will not be seasoned workers. Present indications are that many girls over 16 and boys over 15 will have to be employed.

Green workers should be discouraged from working long hours for the first few days in your interests and theirs.

## N.S. Volunteer Fire Brigade Notes

By DAVE GORNALL

The regular weekly meeting was held Tuesday evening with all present except our chief, who is convalescing in Rest Haven Hospital. We all wish you a speedy recovery, Art, and hope you will soon be back on the job.

Carpenters worked on the sleeping quarters of the hall while the rest of the crew went to the wharf to test the "Bickle" pump. Practise in handling and climbing ladders was carried out under Assistant Chief Morgan. On return to the hall the wet hose was hung in the tower and dry ones packed in place on the truck.

The meeting concluded around the fireplace at the home of Mr. and Mrs. George Gray after "polishing off" a hot dinner deliciously prepared by Mrs. Gray. Many, many thanks, folks, for your time and trouble. Thanks also to Mrs. L. King for that tasty contribution to the brigade.

## ST. PAUL'S Y.P.S.

By DOREEN KENNEDY

Our citizenship convener, Jack Warfield, took the meeting for May 10.

After routine business Jack Warfield read the scripture, after which the two team leaders, Bessie Jackson and Doreen Kennedy, assisted Jack Warfield in a game called "What's My Name." A short guessing game was also enjoyed.

The meeting closed with the singing of one verse of O Canada and the repeating of the Mispah benediction.

## "Seems I CAN'T SAVE Anything..."

WE MET ON MAIN STREET

Jim had his usual ready smile, even when he got telling me how hard up he was.

"Seems funny," he said, "I'm earning more these days, but I just can't seem to keep it."

"Taxes, Victory bonds and all those other things coming off my pay."

He paused, then went on slowly.

"At least it SEEMS as though I can't save anything. Actually, of course, those war bonds are my savings. I'm glad I've salted away a few of them. And you can count me in on the Fourth Victory Loan too!"

## SCHOOL NOTES

### CADET INSPECTION MAY 14

All members of the community who are interested in school activities should plan to be present at the cadet inspection, Friday, May 14, at 9:30 a.m. Major Critchley will inspect the combined Boys' and Girls' Corps so that the ceremonial company, platoon, and squad drill should be quite colorful. There will be exhibitions of fieldcraft, games, first aid, knots and lashings, aircraft recognition, internal combustion engines, and map reading.

This year the corps is officered by Major Keith Hollands, Adjutant Sidney Lines, Lieut. Douglas Peck, Lieut. Dorothy Adams, Lieut. Grace Mears, and Lieut. Violet Yeoman. The sergeants include Dick Villers, Gwen Veefkind, Patricia Dunn and Margery Villers. N. E. West is instructor to the Boys' Corps and Miss R. Lumb has charge of the Girls' Corps.

Show the students that you are interested in this phase of their contribution to the war effort by being present at their inspection on Friday.

### WAR SAVINGS

April war savings totalled \$44.54. This brings the total to date to \$1,194.

### 24TH OF MAY

There will be no children's sports on May 24th. A sports day for the combined district is planned for June. The reason for this change is that the military forces are planning a sports day for the 24th that will utilize the park for nearly all day.

### INKSPOT

Advertising copy is due May 21. Pictures for cuts should be in by May 15. Inkspot editors hope that all firms in the community will take advertising space for this, the last issue of this term. They plan to make this the feature issue of the year.

## ACTIVITIES AT THE HOSTESS HOUSE

By E. E.

The many friends of Captain Garbutt, padre of the Edmonton Fusiliers, will be interested to learn he is now attached to a regiment in the interior, and although he finds the work a little different to the duties he was called upon to do in and around Sidney he is very happy and they are a grand lot of men to be with, and he has had the great joy of starting to build a chapel which he hopes will be completed quite soon.

Mrs. T. Dobson of the R.A.F. is assisting at the "Well Baby Clinic" on Mondays.

Mrs. Stanley Steed reports that all the small absentees are back again on the roll of the Nursery School.

The "Stage Hands" of the Dramatic Club worked long into the night on Saturday to make the stage larger for the next play they hope to produce shortly.

Bridge partners from Patricia Bay district came in on Wednesday to play with the boys at the weekly bridge party in the Blue Room.

The Variety Show on Thursday night went off splendidly with a full house. Sgt. Pilot A. Smith was again master of ceremonies. The Wizard of Oz held everyone spellbound by his wonderful powers. Mrs. Cruikshanks did some very clever tumbling acts and Sgt. Pilot Derek Henderson did some conjuring tricks that caused one's brains a little exercise. Sgt. Pilot Gates gave two of his songs, which were very much appreciated by everyone and was accompanied by Miss M. Buckett. A serious operation (shadow) had to be performed on the stage, that of removing the heart and mending the scars before placing the heart back in the patient and sewing him up again; some of the men from an eastern Canadian regiment sang with real enthusiasm "Alouette" during the community singing; and the orchestra from this same regiment played for the dance that followed.

The auxiliary to the A.A. Batteries stationed here met in the afternoon to knit and chat around the fire in the lounge.

Friday evening was very busy, several old friends from town, and George Fairburn, very kindly played for dancing.

Mrs. Cleary of Montreal is a guest of the Hostess House for a week or two while in training for this type of work in war services. Salvage is badly needed for the war effort, so would you please save all clean paper and cardboard and leave at the depot now formed in the Hostess House, where it will be collected weekly and taken to the main depot.

"Blitz," the Hostess House cat, has given birth to a son — and not very satisfied with her residence has now moved him to the electric wiring box in the storeroom, therefore his name presents no difficulty. SPARKS. What else!
